

HERE ARE ALL THE SUPPLIES YOU NEED TO

**MAKE A
PERLER BEAD
CLAY MOSAIC!**

SUPPLIES:

- **Supplies NOT included in the baggie:**
 - Newspapers to protect your work surface
- **Supplies included in the baggie:**
 - Clay
 - Assorted colors of Perler beads
 - Toothpick
 - Plastic knife

DIRECTIONS:

1. Place your clay onto a sheet of newspaper.
2. Roll out your clay to form a tile about 1/4 - 1/2 inch thick.
3. Using a plastic knife, cut the edges of the clay to make them straight.
4. Press the Perler beads into the clay to create your design.
5. Let the project dry completely. This usually takes about 24 hours. The project is completely dry when the clay is hard.
6. Optional: If you have paint at home, you can paint the dried clay.
7. Your creation is done and ready for display!
