

HERE ARE ALL THE SUPPLIES YOU NEED TO

MAKE A SUNSHINE STREAMER!

SUPPLIES:

- **Supplies NOT included in the baggie:**
 - **Yellow craft paint, crayon or marker**
 - **Glue or tape**
 - **Hole punch**
- **Supplies included in the baggie:**
 - **Paper plate (you will only need 1/2 the plate)**
 - **2 googly eyes (large)**
 - **4 clothespins**
 - **Streamers (6) Purple, blue, green, yellow, orange, red**

DIRECTIONS:

- 1. Color the clothespins yellow. Craft paint works well for this, but if you do not have paint handy, a yellow crayon or marker will work also. If using paint, set the clothespins aside to dry.**
- 2. Take your paper plate and cut it in half. This will be the sun. Color your sun! Again, craft paint works well, but if you do not have paint, then a yellow marker or crayon will work just as well. If using paint, set aside to dry.**
- 3. Once the sun and clothespins are dry, you are ready to assemble your craft!**
- 4. Place the clothespins on your sun. Spread them out a bit. These are the sun's rays.**
- 5. Glue on your googly eyes and draw a warm smile on your sun.**
- 6. Use glue or tape to attach the streamers to the back of your sun.**
- 7. Use a hole punch to make a hole at the top of your sun. Loop and tie the ribbon through the hole in the top of the sun.**
- 8. Your sun is now ready to hang. Hang your creation anywhere you need a bit of sunshine!**
