

HERE ARE ALL THE SUPPLIES YOU NEED TO

**MAKE A
MOSAIC PET TURTLE!**

SUPPLIES:

- **Supplies NOT included in the baggie:**
 - **Green & black crayons or markers**
 - **White school glue**
 - **Scissors**
 - **Glitter (optional)**
- **Supplies included in the baggie:**
 - **1 small foam plate**
 - **2 googly eyes**
 - **Tissue paper in various colors**
 - **Turtle template (head, 4 feet, tail)**
 - **paintbrush**

DIRECTIONS:

1. **Cut the crepe paper into one inch squares.**
2. **Spread glue over the bottom of the paper plate with the paintbrush.**
3. **Cover the paper plate with crepe paper squares. When you get to the edge of the plate, fold the crepe paper underneath.**
4. **If desired, sprinkle glitter over the crepe paper squares while the glue is still wet.**
5. **Use your green marker to color the head, 4 feet, and tail on the turtle template.**
6. **Cut out the turtle's body parts on the template.**
7. **Glue 2 wiggly eyes to the turtle's head.**
8. **Draw a nose and mouth on the turtle's face with a black marker.**
9. **Secure the turtle's head, legs, and tail to the paper plate glue (or tape).**
